Coming in 2010: Woodstown Cash. This will be a new way to support our town's business community when giving gifts to your friends, relatives, teachers, and others. "Woodstown Cash" will be gift certificates redeemable at a wide range of Woodstown and Pilesgrove retailers, restaurants and other businesses. It will be sold in \$10 and \$25 denominations. The notes will be numbered, signed and sealed with the Borough seal. The idea is similar to mall gift certificates, except they are redeemable at all of the cooperating businesses in Woodstown Borough and Pilesgrove Township.

How Can You Stay Informed On Borough Business?

Soon you will be able to subscribe to an email list via the Borough website that provides notices regarding the following information:

- Public notices as advertised in the newspaper
- Notification of regularly scheduled and special meetings
- Notification that posting of latest meeting minutes on the website is complete

What to Place in Your Curbside Recycling Container

- Clear, brown and green glass, food, drink and other glass containers;
- Newspaper, magazine and other paper (clean) including junk mail;
- Aluminum cans, containers, and other aluminum items;
- Tin cans;
- Plastic containers used for milk, water, soda, laundry detergent, fabric softener, dish detergent and bleach;
- Cardboard and computer paper

Disposal Of Unused Medications

DO NOT DISPOSE of prescriptions and over the counter medications down the drain or toilet. Waste-water treatment facilities cannot remove harmful pharmaceutical compounds and these may end up in your drinking water.

3 STEPS FOR PROPER DISPOSAL

1. Keep medicine in original container and mark out personal information.
2. Dilute pills with water and add coffee grounds, cat litter or dirt. Place diluted pills in trash (do not recycle the pill container).
3. Pour liquid medication directly in trash bag (recycle bottle if possible).

Yard Brush collected every Recycle Week on Thursday

Dog and Cat License renewals were due January 31st. A late fee applies after March 15th.

How To Recycle Electronics Waste

Electronics such as TVs, VCRs, Stereos, Computer Monitors, CPU Towers, Printers, Scanners, Speakers, DVD Players or similar devices are NOT to be disposed with regular trash. Call the Borough for oversized items such as console TVs. Smaller items should be taken to the convenience center at the SCIA landfill in Alloway on McKillip Rd at Rt. 540. There is a charge of 4 cents per pound to cover the cost of processing these items for proper recycling and disposal.
