the quality of life in our community*

Woodstown Cash

Woodstown Borough Council is pleased to introduce **Woodstown Cash**, a community-wide gift certificate program that helps our local businesses prosper.

Woodstown Cash comes in \$5, \$10, and \$20 gift certificates that gift-givers can buy during regular business hours at Borough Hall.

Woodstown Cash works very much for our local businesses like “mall gift certificates” work for the businesses in a shopping mall. They allow gift recipients to spend their gift certificate across a wide array of options while helping our local businesses prosper.

Woodstown Cash can be bought at Borough Hall by gift givers during regular business hours.

Currently **19 local stores and restaurants** accept **Woodstown Cash**, and more will be joining soon! Look for these stickers in the windows of stores and restaurants in Woodstown and Pilesgrove:
